Facilitated by Pastor Jeff Rees and his wife Martha, the Three Strands Marriage Retreat is unlike anything else you may have experienced before. Most conferences are primarily content driven, but Three Strands is designed as an experiential retreat. We do not just inform you, but equip you with insights and tools. The equipping process will include a variety of methods that will impact your relationship immediately. You will leave with a better understanding of yourself and your spouse, and increase the joy and intimacy of your marriage.
